Donations

List of donations accepted by the Library received by the Board which includes a $40,000.00 donation from the Marblehead Peninsula Library Committee (MPLC) towards the renovations of the Marblehead Peninsula Branch Library (MPBL).

Director's Report

Mr. Hagen reviewed several items that are ongoing at the library:

- **Marblehead Peninsula Branch Library (MPBL)** updates – renovations are going smoothly and progressing as scheduled. Larry Hattan commented that there are pending change orders to accommodate the necessary sewer tie-in.

- **Capira** – Amber Cupp, Sue Foster and Mr. Hagen have been working with developers on a new mobile app for the library; expect updates in March.

- **Ariel Gresh** – Ms. Gresh has returned from college and will be working at IRPL Thurs/Fri and weekends through August when she plans to return to I-School at Syracuse University to work towards her MLIS. In addition to working the circulation desk, she is sorting through old photos/files recently donated by the Port Clinton News Herald. Those with local history interest will be digitized and then the library will offer these files to other local resources including the Ottawa County Museum.

- **Ohio Obituary Index** – The library has recently become a member at Hayes Presidential Library. Mr. Hagen has met with their librarian, Beck Hill, to begin the process of indexing our Port Clinton News Herald obituaries in this online resource. Volunteers will be used for the bulk of this project.

- **Winter Reading Program** – Margaret Warren organized this program again this winter. Over 400 packets have been issued to date and the first drawings have been held. Additional drawings will be held in March and April.

- **AARP TaxAides** – This service will offered again at ITPL although it has been delayed this year due to tax software issues. The first appointments will be on 2/10/17.

- **Staff Training Day** – plans are being finalized for an all-day training event for staff on Friday, February 24, 2017. The management team has arranged for 4 speakers; Detectives Carpenter, Timmons, & Chief Hickman, P.C. Police Department, Kathy Munger, NorWeld, Amanda Fensch, Penguin Publishing, and the Red Cross. The library will remain open with staff alternating between training and the circulation desk.

- **Part-time position** – Mrs. McGrath has posted for a part-time substitute position at IRPL. This position will be primarily on an as needed basis and scheduled in the weekend rotation. It is hoped that the position will be filled by the end of March.

Building and Grounds

Maryanne Laubner reports that the committee met prior to this evening’s regular meeting to discuss items needing repair at IRPL:

- The 3rd Street Hallway restoration will take place the week of February 13th; plans have been made to allow access to the restrooms during the time that the hallway will be closed to the public. Entrance accommodations through the meeting rooms will be made as well. Cleaner & Dryer will complete the restoration work.
- Locust Trees at Madison Street are not as robust as other trees on the street; Mrs. Lemmon will look into having an arborist or the City Tree Commission look at them this spring.
- IRPL parking lot needs to be repaired; this will be a late summer or fall project.
- Roof Parapet appears to need some repair. Masonry Construction will be consulted.
- Edwards Pest Control will be contacted in the spring for annual treatment.
- Plans are being made to possibly move the public copier to the circulation desk and use it for all printing, copies and faxing rather than the three machines currently used.
- Pending budget status, upgrading the hand dryers in the restrooms will be readdressed in the fall.
- Furniture fixtures that are used for the public computers are looking worn. Refinishing them will be explored.
- Property line issue with Oberle property still pending.

Electrical, plumbing, and conduits have been roughed in, insulation is being added. After inspection, drywall will be installed. New windows and doors are also framed in.
- Marblehead Peninsula Library Committee resolution – Mr. Widmer would like to present the committee with a formal acknowledgement/thank you of their support via the donation. Expect more on this at the March meeting.
- Erie Island Library Operating Hours – Karen Wilhelm confirmed the expansion of EIL operating hours. Expanded winter hours began last fall and the new summer hours will soon go into effect.
