OCEANS OF POSSIBILITIES

JUNE 2022

PLEASE JOIN US!

Some activities take place at only one of our library locations. Some involve all three libraries. Still others are being held at off-site venues. **Please consult our website at www.idarupp.org for event locations as well as additional information about each.**

We're so excited about this year's **SUMMER READING PROGRAM!** Our calendar is chock full of fun and activities for readers of all ages. Please join us as we explore the countless **OCEANS OF POSSIBILITIES!**

Our calendar of events is filled with reminders of your many opportunities to participate. Activities include those designed for young children, teens, adults, and families. Events are held at all library branches as well as off-site venues. **For locations and detailed event descriptions of specific events,** please visit our website at www.idarupp.org.

WIN PRIZES! A midpoint prize drawing will be held on July 1 for entries earned through June 30. On August 1, one winner will be drawn for the Grand Prize in each age group. Register on Beanstack by going to idarupp.beanstack.com to get prize entries based on attendance at events and reading/watching/listening.

For most events, there is no need to pre-register. There are a few, however, that do require registration. This can be completed by going to our website and choosing the calendar. Click on the event, then "view more." Complete the information, and you will be registered. After the event, remember to record your attendance in Beanstack to boost your chances of winning a prize!

Our heartfelt thanks go to **Friends of the Ida Rupp Public Library** and **Friends of the Marblehead Peninsula Branch Library.** Their generosity makes this year's many summer events and the awesome prizes possible.
